

Congresses

Season 2014-2015

Joan Puig-Barberà, Cristina Martinez, Laura Cano, Javier Diez, F. Xavier López-Labrador for the Valencia Hospital Network for the Study of Influenza and Respiratory Viruses Disease. Influenza H3N2 antigenic drift in hospital admissions with influenza during the 2014-2015 season in the Valencia Hospital Network for the Study of Influenza and Respiratory Viruses Disease, Valencia (Spain). 18th Annual Meeting of the European Society for Clinical Virology Edinburgh from 9th - 12th September 2015 (Poster 1715).

Joan Puig-Barberà, Ainara Mira-Iglesias, Miguel Tortajada-Girbés, F. Xavier López-Labrador, Ángel Belenguer-Varea, Mario Carballido-Fernández, Empar Carbonell-Franco, Concha Carratalà-Munuera, Ramón Limón-Ramírez, Joan Mollar-Maseres, Maria Del Carmen Otero-Reigada, Germán Schwarz-Chavarri, José Tuells-Hernández, and Vicente Gil-Guillén. Influenza vaccine effectiveness in preventing admissions with influenza during the 2014-2015 influenza season. A test-negative hospital-based study, in the Valencia Hospital Network for the Study of Influenza and Respiratory Viruses Disease, Valencia (Spain). ID Week October 7-11 2015 San Diego, CA (Poster 488).

Joan Puig-Barberà, Ainara Mira-Iglesias, Miguel Tortajada-Girbés, F. Xavier López-Labrador, Ángel Belenguer-Varea, Concha Carratalà-Munuera, Mario Carballido-Fernández, Ramón Limón-Ramírez, Empar Carbonell-Franco, Joan Mollar-Maseres, Maria Del Carmen Otero-Reigada, Germán Schwarz-Chavarri, José Tuells-Hernández, and Vicente Gil-Guillén. Hospital admissions associated to respiratory viruses. 2014-2015 season. Valencia Hospital Network for the Study of influenza and other Respiratory Viruses (Spain). ID Week October 7-11 2015 San Diego, CA. (Poster 521).

Joan Puig-Barberà, Angels Natividad-Sancho, Svetlana Trushakova, Anna Sominina, Maria Pisareva, Meral A.Ciblak, Selim Badur, Hongjie Yu, Benjamin J.Cowling, Clotilde El Guerche-Séblain, Ainara Mira-Iglesias, Lidiya Kisteneva, Kirill Stolyarov, Kubra Yurtcu, Luzhao Feng, and Elena Burtseva. Epidemiology of admissions with influenza and the impact of underlying patient characteristics on the risk of admission with influenza during the 2013/14 season in the GIHSN participating sites. ID Week October 7-11 2015 San Diego, CA. (Poster 492).

Joan Puig-Barberà, Angels Natividad-Sancho, Svetlana Trushakova, Anna Sominina, Elizaveta Smorodintseva, Meral A.Ciblak, Selim Badur, Hongjie Yu, Benjamin J.Cowling, Ainara Mira-Iglesias, Lydumila Kolobukhina, Lubov Voloshchuk, Kubra Yurtcu, Peng Wu, and Elena Burtseva. Vaccine effectiveness in preventing hospitalizations with influenza. Preliminary results from the Global Influenza Hospital Surveillance Network for the northern hemisphere 2013/14 influenza season using a test-negative approach. ID Week October 7-11 2015 San Diego, CA. (Poster 486).

Season 2013-2014

Puig-Barberà J, Tormos A, Trushakova S, Sominina A, Pisareva M, Ciblak M A, Feng L, Qin Y, Burtseva E, on behalf of The GIHSN Group. Hospitalizations with influenza in the northern hemisphere 2013-2014 influenza season. Results from the Global Influenza Hospital Surveillance Network. 8th Vaccines & ISV Congress, Philadelphia, USA, 26-28 October 2014 (Poster 1.34)

Puig-Barberà J, R Larrea-Gonzalez, Carballido-Fernández M, Limón-Ramírez R, TortajadaGirbés M, Otero-Reigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén

V, Correcher-Medina P, Schwarz-Chávarri H, Natividad-Sancho A, Tormos A, Buigues-Vila A, Mira-Iglesias A, López-Labrador FX, Díez-Domingo J. Respiratory virus admissions in children under five years of age during three consecutive seasons. 8th Vaccines & ISV Congress, Philadelphia, USA, 26-28 October 2014 (Poster 1.35)

Puig-Barberà J, Carballido-Fernández M, Limón-Ramírez R, Tortajada-Girbés M, OteroReigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén V, Natividad-Sancho A, Tormos A, Buigues-Vila A, Mira-Iglesias A, López-Labrador FX, Díez-Domingo J. Hospital admissions associated to respiratory viruses in the Valencia Hospital network for the study of influenza and other respiratory viruses. Season 2013-2014. 8th Vaccines & ISV Congress, Philadelphia, USA, 26-28 October 2014 (Poster 1.36)

Puig-Barberà J, Carballido-Fernández M, Limón-Ramírez R, Tortajada-Girbés M, OteroReigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén V, Natividad-Sancho A, Tormos A, Buigues-Vila A, Mira-Iglesias A, López-Labrador FX, Díez-Domingo J. Influenza vaccine effectiveness to prevent admissions with influenza in adults belonging to target groups for vaccination in the Valencia Hospital Network. A test-negative, hospital-based, study, 2013- 2014 influenza season. 8th Vaccines & ISV Congress, Philadelphia, USA, 26-28 October 2014 (Poster 1.37)

Puig-Barberà J, Mira-Iglesias A, Librero-López J, Carballido-Fernández M, Limón-Ramírez R, Tortajada-Girbés M, Otero-Reigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén V, Natividad-Sancho A, Tormos A, Buigues-Vila A, López-Labrador FX, Díez-Domingo J. Does vaccination date affect influenza vaccine effectiveness? Valencia Hospital Network, hospital-based, test-negative, study in two consecutive influenza seasons. 8th Vaccines & ISV Congress, Philadelphia, USA, 26-28 October 2014 (Poster 1.39)

Puig-Barberà J, Tormos A, Trushakova S, Sominina A, Pisareva M, Ciblak M A, Badir S, Yu H, Cowling B, Burtseva E, on behalf of The GIHSN Group. Hospitalizations with influenza in the northern hemisphere 2013-2014 influenza season: Preliminary results from the Global Influenza Hospital Surveillance Network. The fifth ESWI Influenza Conference Riga, Latvia, 14-17 September 2014 (Poster SPA1P03) Puig-Barberà J, Carballido-Fernández M, Limón-Ramírez R, Tortajada-Girbés M, OteroReigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén V, Natividad-Sancho A, Tormos A, Buigues-Vila A, Mira-Iglesias A, López-Labrador FX, Díez-Domingo J. Influenza vaccine effectiveness to prevent admissions with influenza in adults belonging to target groups for vaccination in the Valencia Hospital Network. A test-negative study, 2013-2014 influenza season. The fifth ESWI Influenza Conference Riga, Latvia, 14-17 September 2014 (Poster SPA6P02)

Puig-Barberà J, Tormos A, Natividad Sancho A, Mira Iglesias A, Buigues Vila A. La Red Global de Hospitales de Vigilancia de la Gripe (GIHSN- Global Influenza Hospital Surveillance Network). XXXII Reunión Científica de la SEE IX Congresso da APE, Alicante, Spain, 3-5 September 2014 (Oral Presentation O157)

Puig-Barberà J, Carballido-Fernández M, Limón-Ramírez R, Tortajada-Girbés M, OteroReigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén V, Natividad-Sancho A, Tormos A, Buigues-Vila A, Mira-Iglesias A, López-Labrador FX, Díez-Domingo J. Ingresos asociados a virus respiratorios en la Red Valenciana de Hospitales para el estudio de la Gripe y Virus Respiratorios. Otoño-invierno 2013-2014. Resultados preliminares. XXXII Reunión Científica de la SEE IX Congresso da APE, Alicante, Spain, 3-5 September 2014 (Oral Presentation O159)

Puig-Barberà J, Larrea-Gonzalez R, Carballido-Fernández M, Limón-Ramírez R, TortajadaGirbés M, Otero-Reigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén

V, Correcher-Medina P, Schwarz- Chavarri H, Natividad-Sancho A, Tormos A, Buigues-Vila A, Mira-Iglesias A, López-Labrador FX, Díez-Domingo J. Ingresos por virus respiratorios en niños menores de cinco años de edad durante tres temporadas consecutivas XXXII Reunión Científica de la SEE IX Congresso da APE Alicante, Spain, 3-5 September 2014 (Oral Presentation O162)

Puig-Barberà J, Carballido-Fernández M, Limón-Ramírez R, Tortajada-Girbés M, OteroReigada MC, Mollar-Maseres J, Carratalá-Munuera C, Gil-Guillén V, Natividad-Sancho A, A Buigues-Vila A, Mira-Iglesias A, López-Labrador FX, Díez-Domingo J, por la Red Valenciana de Hospitales para el estudio de la Gripe y Virus Respiratorios (VAHNSI). Efectividad de la vacuna de la gripe para prevenir ingresos en adultos pertenecientes a grupos de riesgo. Temporada 2013-2014. Resultados preliminares. XXXII Reunión Científica de la SEE IX Congresso da APE, Alicante, Spain, 3-5 September 2014 (Oral Presentation O163)

Season 2012-2013

Puig-Barberà J, López-Labrador FX, Díez-Domingo J, Ruiz-García M, A Buigues-Vila, JBarrenengoa-Sañudo J, Larrea-González R, Limon-Ramirez R, Tortajada-Girbés M, Carratalá-Munuera C, Schwarz-Chavarri H, L Martínez-Priego, Escribano-López B, Gil-Guillén V. Contribution of influenza and other respiratory viruses to hospitalization in Valencia, Spain, during the 2012-2013 winter season: a prospective hospital-based active-surveillance study. 7th Vaccines & ISV Congreso Sitges, Barcelona, Spain, 27-29 October, 2013 (Poster P010)

Puig-Barberà J, Burtseva E, Sominina A, Launay O, Ciblak M, Tormos A, Mahé C. The “Global Influenza Hospital Surveillance Network” (GIHSN): a step forward. 7th Vaccines & ISV Congreso Sitges, Barcelona, Spain, 27-29 October, 2013 (Poster P011)

Puig-Barberà J, Tormos A, Sominina A, Launay O, Ciblak M, Natividad Sancho A, Buigues Vila A, Martínez-Úbeda S, Burtseva E, The GIHSN Group. Epidemiological characteristics of hospitalizations associated with circulating seasonal influenza strains: analysis from the “Global Influenza Hospital Surveillance Network” (GIHSN) 7th Vaccines & ISV Congreso Sitges, Barcelona, Spain, 27-29 October, 2013 (Poster P012) Puig-Barberà J, Tormos A, Natividad Sancho A, Buigues Vila A, Martínez-Úbeda S. Epidemiological analysis from a worldwide network of hospitals - “Global Influenza Hospital Surveillance Network” (GIHSN). 7th Vaccines & ISV Congreso Sitges, Barcelona, Spain, 27- 29 October, 2013 (Poster P013).

Puig-Barberà J, López-Labrador FX, Díez-Domingo J, Ruiz-García M, Buigues-Vila A, Barrenengoa-Sañudo J, Larrea-González R, Limon-Ramirez R, Tortajada-Girbés M, Carratalá-Munuera C, Schwarz-Chavarri H, Martínez-Priego L, Escribano-López B, Gil-Guillén V. Influenza vaccine effectiveness, by age group and strain, in preventing laboratory confirmed influenza admissions in adults 18 years old or older targeted for influenza vaccination, during the 2012-13 influenza season: a test-negative study. 7th Vaccines & ISV Congreso, Sitges, Barcelona, Spain, 27-29 October, 2013 (Poster P095)

Puig-Barberà J, Natividad Sancho A, Sominina A, Launay O, Ciblak M, Tormos A, Buigues Vila A, Martínez-Úbeda S, Burtseva E, The GIHSN Group. The Global Influenza Hospital Surveillance Network (GIHSN): assessment of statistical heterogeneity between study sites 7th Vaccines & ISV Congreso, Sitges, Barcelona, Spain, 27-29 October, 2013 (Poster P096)

Puig-Barberà J, Tormos A, Sominina A, Vanhems P, Ciblak M, Natividad Sancho A, Buigues Vila A, Martínez-Úbeda S, Burtseva E, The GIHSN Group. Epidemiological characteristics of hospitalizations associated with circulating seasonal influenza strains: pooled analysis from the “Global Influenza Hospital Surveillance Network” (GIHSN). Options VII for Control of Influenza, Cape Town South Africa, 5-10 September, 2013 (Poster P2-444)

Puig-Barberà J, López-Labrador FX, Díez-Domingo J, Ruiz-García M, Buigues-Vila A, Barrenengoa-Sañudo J, Larrea-González R, Limon-Ramirez R, Tortajada-Girbés M, Carratalá-Munuera C, Schwarz-Chavarri H, Martínez-Priego L, Escribano-López B, Gil-Guillén V. Influenza vaccine effectiveness, by age group and strain, in preventing laboratory confirmed influenza admissions in adults 18 years old or older targeted for influenza vaccination, during the 2012-13 influenza season: a test-negative study. Options VII for Control of Influenza, Cape Town South Africa, 5-10 September, 2013 (Poster P2-528)

Puig-Barberà J, Natividad Sancho A, Burtseva E, Merle C, Ciblak M, Tormos A, Buigues Vila A, Martínez-Úbeda S, Sominina A, The GIHSN Group. The Global Influenza Hospital Surveillance Network (GIHSN): assessment of statistical heterogeneity between study sites. Options VII for Control of Influenza, Cape Town South Africa, 5-10 September, 2013 (Poster P2-652)

J Puig-Barberà, E Burtseva, A Sominina, O Launay, M Ciblak, A Tormos, C Mahé. The “Global Influenza Hospital Surveillance Network” (GIHSN): a step forward. Options VII for Control of Influenza, Cape Town South Africa, 5-10 September, 2013 (Poster P2-653)

Puig-Barberà J, López-Labrador FX, Díez-Domingo J, Ruiz-García M, Buigues-Vila A, Barrenengoa-Sañudo J, Larrea-González R, Limon-Ramirez R, Tortajada-Girbés M, Carratalá-Munuera C, Schwarz-Chavarri H, Martínez-Priego L, Escribano-López B, Gil-Guillén V. Contribution of influenza and other respiratory viruses to hospitalization in Valencia, Spain, during the 2012-2013 winter season: a prospective hospital-based active-surveillance study. Options VII for Control of Influenza, Cape Town South Africa, 5-10 September, 2013 (Poster P2-673)

Season 2011-2012

Puig-Barberà Joan, Pérez-Vilar Silvia, Mico-Esparza Jose Luís, Belenguer-Varea Ángel, Carratalá-Munuera Concepción, Schwarz-Chávarri Herman, García-Lomas Juan, and others. Efectividad De La Vacuna Estacional Para Evitar Ingresos Asociados a La Infección Por El Virus De La Gripe Confirmados Por Laboratorio. Estudio De Casos Y Controles, Comparación Caso-caso De Base Hospitalaria. Resultados Preliminares. 6º Congreso de la Asociación Española de Vacunología (AEV). Santiago de Compostela, España, 23-26 November 2011. (P 1), November 21, 2011.

Puig-Barberà Joan, Pérez-Vilar Silvia, Mico-Esparza José Luís, Belenguer-Varea Ángel, Carratalá-Munuera Concepción, Schwarz-Chávarri Herman, García-Lomas Juan, and others. Effectiveness of the Seasonal 2010-2011 Influenza Vaccine to Prevent Laboratory Confirmed Influenza Related Hospitalizations. Hospital Based, Case-Case Comparison, Case-Control Study, Valencia, Spain. 5th Vaccine and ISV Annual Global Congress: Seattle, USA, 2-4 October 2011. (P 2.5), June 10, 2011.

Puig-Barberà J, García-de-Lomas J, Díez-Domingo J, Arnedo-Pena A, Ruiz-García M, Pérez-Vilar S, et al. Influenza vaccine effectiveness to prevent influenza hospitalizations in adults, during the 2011-2012 influenza season: A test-negative, case-control study, Valencia, Spain. Preliminary analysis. Influenza Vaccines for the World. Valencia, Spain, 9-12 October 2012. (Poster 144).

Puig-Barberà J, Díez-Domingo J, García-de-Lomas J, Ruíz-García M, Larrea-González R, Limón R, et al. Contribution of influenza and other respiratory viruses to hospitalization in valencia, spain, during the 2011-2012 winter season: A prospective hospital-based

activesurveillance study. Influenza Vaccines for the World. Valencia, Spain, 9-12 October 2012. (Poster 142).
